

Scotch Brand 25T Grounding Braid with Eyelets

APPLICATION

The Scotch Brand 25T Grounding Braid with Eyelets can be used on shield connector studs up to 1/4" (6mm) in diameter.

INSTALLATION:

Position single eyelet over stud as shown. Complete installation of shield connector per standard practice.

Important Notice to Purchaser:

All statements, technical information and recommendations contained herein are based on tests we believe to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties expressed or implied:

Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith.

No statement or recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of seller and manufacturer.
