**Center Conductor Cleaners /
Y-190 & Y-190S**

The fastest and safest way to remove dielectric from coax cable of all sizes. We offer two unique models to accommodate all hand sizes.

Y-190 features a plated handle made of spring steel, covered with a comfortable plastic coating. Scrapers have four working surfaces and can be sharpened with a fine file.

582 Replacement scrapers. Set of two.

Warning : Hand-made scrapers of circuit board and other hard materials may fracture the bond of copper to the aluminum conductor and compromise the electrical characteristics of the cable.
