POLE AND TREE CLIMBERS

[Product Index](#) > [Pole and Tree Climbers](#) > **CN1986AR**

Pole Climbers with 1-9/16" Gaffs – Complete Set

8" x 8" (203 x 203 mm) cushioned, high-grade leather climber pads for maximum comfort.

Neoprene-impregnated nylon climber straps for long-lasting life.

Secure sleeve and leg iron connection. Two slotted hex-head bolts with lock washers and barrel-type nuts join the steel sleeve and leg iron together.

Steel split ring secures ankle strap in place and allows for quick replacement. 4-7/16" (113 mm) wide stirrup provides greater foot support.

Adjustable climber length – steel sleeve moves in 1/4" (6 mm) increments for the most comfortable fit.

Contoured leg irons help position gaffs securely and comfortably.

Replaceable gaff firmly attaches to the leg iron with a center pin and two TORX® screws.

Gaffs are longer in length and wider in angle than 1-1/2" gaffs for exceptional resistance to cutouts.

To determine size needed, measure from instep to 1" (25 mm) below knee.

Sold in pairs only.
