1. Base Data

Part No.	NC3.50
Type	NC3.5
Color	Black
Features	HellermannTyton nail clips are easy to use and highly reliable. The tough precision engineered clips hold wire and cable securely in place. The nail is hardened for driving into wood, masonry joints, cinder block and mortar. The nails are also perpendicular to the work surface and are driven in straight, greatly reducing cracking. The nail clips do not have sharp edges, which reduce the chance of cutting cable jackets or sheats and causing signal loss.
Application	14# Ground Wire, Telecom 1 pair

2. Product Dimensions

Length (L)	.630 " / 16 mm
Nominal Ø	.138 " / 3.5 mm

4. Material and Specifications

Material	Polyethylene (PE) / Steel (ST)
Material	PE / ST

ROHS Conformity

**Logistic and Packaging**

Packaging Type	box
Pkg. Qty.	100 pcs
UPC	08930602819
