Adjustable-Compartment Parts Box

Movable dividers in this parts box allow compartment sections to be arranged and sized as desired.

Three partitions, running from front to back, divide the box into four equal 4-1/2"x12" (114 mm x 305 mm) sections.

Nine straight metal dividers can be positioned anywhere between the partitions, in one-inch (25 mm) increments, to create the compartments desired.

Boxes feature strong, rigid, heavy-duty welded construction.

Full-length piano hinged covers are designed to stay open for ease of access.

Each box has a carrying handle, positive pull-down locking catch.

Boxes have a heavy, metallic-gray baked-enamel finish.

Box compartments feature high-impact styrene construction.

Scoop-bottom design for easy parts removal and cleaning.

Fits four-drawer extra-large slide rack Cat. No. 54477.
