**Name:**  
Inductive Amplifier

**Cat #:**  
200EP

**UPC #:**  
08671

**Spec:**  
Powerful 2" Speaker, One-button Operation, Adjustable Volume Control, LED for Visual Signal Strength Indication, Recessed Tabs for Telephone Test or Headset Connection, Battery Operated (9V not included)

**Description:**  
Used in conjunction with any tone generator, Inductive Amplifiers permit wire and cable identification without having to make direct metallic contact with the conductor.

- All models feature powerful speaker for noisy environments, recessed on/off button control and high gain for accurate wire identification in congested cable bundles and equipment rooms.
- The 200EP also includes adjustable volume control for precise identification, an LED for visual signal strength indication and recessed teleph
